DESCRIBE THE PRESENT AND ORIGINAL (if known) PHYSICAL APPEARANCE

This brick house between two buildings is painted gold, oblong, 2 1/2 stories, with 2 bays on the street or front of the house. Facing south, the pitched roof ridge line runs east-west.

Windows and doors have repeating brick arches. Windows have 1 light over 1. A brick front porch is semi-enclosed. One chain up, rises ~~from~~ along the west end wall.

Look for a variation in brick pattern at the arch over the doors and windows. ^① This appears to be part of CE 131, to which it is attached.
